Dear Br Phelps

I suppose you are in Maine, but if you are not, this is — in great haste — to say Will you not come & preach for me next Sabbath, & bring your dear & better half & attend my wedding on Monday at 10 o'clock P. M. But whether you come & preach or not come with wife to the wedding. I expect it will be quite a clerical company. I expect (I.S. have written their invitations) brethren Perry & Bicknell to dine with us at Sherburne at ½ past 11 o'clock & that thy with Brethren Troth & Riccen (of Sofonville) will also be at the wedding. yours in love & hope
